2. Report any warranty claims within one year from date of purchase to Steve Silver Co. Customer Service Department at 800-344-7278.
3. Replacements that can ship UPS will be sent immediately. Replacements that ship Common Carrier will have to be added to your next order. A Steve Silver Company Customer Service Representative will be able to tell if the item you need replaced can be sent UPS and issue an UPS Call Tag or schedule a pick up with a freight company to return any defective merchandise.
4. For merchandise that needs a part, i.e. legs, arms or hardware, it will be sent on a no-charge basis, as long as the merchandise was received within the last 1 year. If replacement glass is needed, it will need to be added to the next order; glass shipped alone does not travel well and is usually broken on receipt.

6. When faxing a defective item report please remember that each item has its own item number, i.e. a CH4242T is a tabletop, and CH4242B is a base. Please include the item number of the piece you are reporting as defective. This will ensure you get the correct item or part, and your credit is correct on your account.
